Re: U.S. v. Hurgenes Pignard  
06 CR 718 (CM)

Your Honor:

I was assigned as CJA attorney for Mr. Pignard. During a recent conference, Mr. Pignard indicated that he felt it would be better if I did not continue as his attorney. He thought there was a possibility that his family might retain new counsel. However, it is my understanding that his family is unable to retain private counsel for Mr. Pignard.

This morning Mr. Pignard again indicated to me that he wants to make application for new counsel to be assigned. This is the second time that he has indicated that he does not want me to continue as his attorney. I told him that I would notify the Court of this request. Accordingly, would you kindly treat this letter as a request to schedule the matter so that Mr. Pignard can personally apprise the Court of this request to assign new CJA counsel?

Mr. Pignard is currently detained on this case and is lodged at the Westchester County Jail. Thank you for your courtesies.

Respectfully,

A handwritten signature in black ink that appears to read "Michael F. Keesee".
